

MEMBER NOTICE – 2019_0005

Date: 31st January 2019

Priority: Normal

Subject: Aquis Exchange CT environment closure

Aquis Exchange would like to inform Members that the CT environment will be unavailable tomorrow Friday 1st February due to system maintenance and internal testing.

Market data from the CT environment may still be broadcast – firms are advised to disregard this. Static data files and the short code upload service will still be available for testing.

The CT environment will be available for members and vendors to use on Monday 4th February

For more information, please contact the Aquis Exchange Support team on support@aquis.eu or call +44 (0)20 3597 6333.
